Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-A review of your report discloses a receipt on Line 17 from "FBR Funds for Gov't" and "MTB Group of Funds" for "Interest from funds." However, you have not included this as a depository on Line 9 of your Statement of Organization. Please be advised that your Statement of Organization must include a listing of all banks, safe deposit boxes, or other depositories used by your committee. Please amend your Statement of Organization to identify all depositories being used by your committee or provide clarifying information regarding this receipt. 11 CFR §102.2(a)(1)(vi)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
